

RobotController::isBridge
Stable

```
graph LR; A[Demo::demoLoop] --> B[RobotController::isBridgeStable];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'RobotController::isBridge' on the top line and 'Stable' on the bottom line. The box on the right is white with a black border and contains the text 'Demo::demoLoop'. A dark blue arrow points from the right side of the white box to the right side of the gray box.

Demo::demoLoop
